DECLARATION OF CONFORMITY

TYPE OF EQUIPMENT

Electrical Heat Pump, Air Conditioner
Solid State Cooling Devices

MODEL NUMBERS

Model nos. AHP-1200, AHP-1201, AHP-1202 followed by FF, XE, X; may be followed by HC may be followed by W/TC followed by -3F or -6F or Remote TC.
Model nos. AHP-1800, AHP-1801, AHP-1802 followed by FF, XE, X; may be followed by HC may be followed by W/TC followed by -3F or -6F or Remote TC.
Model nos. FHP-750, FHP-752 may be followed by XE; may be followed by W/TC followed by TC-6F or Remote TC.
Model nos. AHP-1501, FHP-1501 may be followed by XE; may be followed by HC may be followed by W/TC followed by -6F -3F or Remote TC.

YEAR OF MANUFACTURE

Refer to the first two digits of the serial number on the manufacturers ID label

MANUFACTURER

TECA Corporation
4048 W. Schubert Avenue
Chicago, IL 60639
U.S.A.

APPLIED STANDARDS

Standard for Safety of Heating and Cooling Equipment (ANSI/UL 1995 & CSA C22.2 No. 236-11, 4th Edition, issued 10/14/2011 Revised 10/03/2014)

Low Voltage Directive 2006/95/EC - European Union (EU)

- Safety of household & similar electrical appliances EN 60 335-1
Part 1: General requirements
- Safety of household & similar electrical appliances EN 60 335-2-40
Part 2: Particular requirements for electrical heat pumps, airconditioners & dehumidifiers
(IEC 335-2-40 : 1992, Modified)

EMC Directive 2004/108/EC - European Union (EU)

TESTING AGENCY

ITS Intertek Testing Services ETL SEMKO

REPORT No.

ETL Report Number: 532015CHI-001; 3039120CHI-001; 3077628CHI-001
